Project Profile

Gleaners Food Bank of Indiana, Inc.

INDIANAPOLIS , INDIANA

The Project

IKO Commercial products were selected for the re-roof of the 293,000-square-foot facility for Gleaners Food Bank, located in Indianapolis and serving a 21-county area in Indiana. Gleaners was established to optimize equitable access to nutritious food for people facing food insecurity. Their vision statement is “Food for every table. Empower every future.” The mission is to be a leader in the fight against hunger. According to Gleaners, in the fiscal year 2023, the results were impressive: 99,381,818 meals were distributed by Gleaners and the Fresh Connect Central network.

The Challenge

Skyline Roofing Sheet Metal Company, Inc. re-roofed the facility. It was critical not to disturb or delay any operations. Skyline is dedicated to delivering complete project management and has a team of professionals with expertise in every aspect of commercial roofing.

The Solution

Skyline removed the existing roof system and installed a mechanically attached roofing system using IKO Innovati™ TPO 60-mil membrane over IKOTherm™ CoverShield™ cover board and two layers of IKOTherm 3.5-inch polyisocyanurate insulation. IKO Innovati accessories were also used on this project to deliver a full roofing solution.

IKO MECHANICALLY ATTACHED INNOVI ROOFING SYSTEM

- IKO Innovati 60-mil TPO white membrane
- InnovatiFast™ AP Fasteners (#14)
- InnovatiFast 2-inch Seam Plates
- InnovatiFast Insulation Fasteners (#12) with InnovatiFast Insulation Plates
- IKOTherm CoverShield™ cover board
- 2 layers of IKOTherm polyiso
- InnovatiFast AP Termination Bars
- #15 HD Fasteners
