IKO's Cambridge shingles are a popular choice for both new construction and re-roofing. A true workhorse product, the Cambridge line has delighted homeowners coast to coast for decades with a great product that offers consistent performance at a reasonable cost.

The IKO Difference

With a legacy of craftsmanship that spans over 75 years, we know quality. That's why contractors and their customers trust IKO to deliver beautiful, high-performing roofing systems that can withstand rigorous conditions — and continue protecting families for generations to come.

Superior beauty, quality, and coverage in one shingle.

Your customers should never have to choose between curb appeal and superior weather performance. IKO Cambridge shingles provide all the beauty of natural textured materials — without expensive upkeep or low durability.

Plus, they go down fast and easy with 5 7/8" exposure that's larger than most other shingles in their class. Cambridge shingles offer:

- **True Square Advantage** sizing providing exactly 100 square feet of coverage in every three bundles, helping minimize waste and installation costs.
- **Class 3** impact resistance rating⁶.
- **Fiberglass mat** core strength.
- A wide array of stunning **color blends** to match your home's style.
- **FastLock®** modified bitumen sealant to help prevent wind uplift.
- Built-in **blue-green algae** resistance.

CAMBRIDGE®

Architectural Shingles

SPECIFICATIONS ⁴	Limited Warranty ¹	Limited Lifetime ³	Dimensions (L x W)	40 7/8 in (1,038 mm) X 13 3/4 in (349 mm)	STANDARDS ⁵	ASTM D3462
	Iron Clad Protection ¹	10 Years (U.S. only)	Exposure	5 7/8 in (149 mm)		ASTM D3018
	Limited Wind Warranty ¹	110 mph		33 1/3 sq. ft. (3.1 sq. m)		ASTM D7158 — Class H
	Limited High Wind Warranty Upgrade ^{1,2}	130 mph	Shingles per Square	60		ASTM D3161 — Class F
	Limited Algae Resistance Warranty ¹	10 years (blue-green)		60		ASTM E108/UL 790 — Class A
					FM 4473 — Class 3 ⁶	

Note: Product and color availability may vary by region. Products with Miami Dade NOA and FBC product approval listings are available. Meets Texas Department of Insurance requirements. Contact IKO for details. ¹Refer to the Limited Warranty at IKO.com for full terms, conditions, restrictions and application requirements. Shingles must be installed per application instructions and local building codes. ²High-wind application is required. ³"Lifetime" refers to the period from installation until the original Owner no longer owns the building. ⁴All values are approximate. ⁵Products are developed with reference to these standards. ⁶Impact rating is solely for potential insurance premium reductions and is not a performance guarantee, implied or express warranty of any kind. Hail damage is not covered under the Limited Warranty. IKO recommends Class 4 or 3 impact resistance rated Hip and Ridge capping shingles be installed with corresponding impact rated shingles (refer to FM Approvals for more details on the FM 4473 impact resistance testing standard).

IMPORTANT! For complete satisfaction, view full-size shingles and an actual roof installation before selecting a color. Online swatches, brochures, and our **ROOFViewer®** tool may not accurately reflect the shingle color or full color blend range, nor show the impact of sunlight.
